**Together, we can help ensure older adults have a meal, a moment of connection, and the support to age with dignity and independence.**

# Nourish Night Out

**Thursday, June 18, 2026**

**Highlands Ranch Senior Center**

Gather around the table for a shared meal inspired by our clients' favorite Nourish dishes prepared by Executive Chef Andrew Forlines. Through food and storytelling, experience firsthand how meals and connection create moments that matter.

Enjoy beer, wine, and appetizers from local culinary partners, bid on exciting auction items, and celebrate alongside supporters who share a commitment to caring for older adults.

Each day, Nourish Meals on Wheels prepares and delivers nutritious, scratch-made meals to older adults, along with friendly visits that help reduce isolation and support independence at home.

Together, we're turning generosity into **Meals That Matter and Impact That Lasts.**

**A meal can nourish more than the body.  
It can bring back a lifetime of memories.**

"My late husband and I loved baked potatoes with chili on cold days. When I see that meal now, it brings back memories that warm my heart. I look forward to every delivery. It's the little extras that remind me someone cares and that makes me feel wanted."

— **Betty B., 98**
